

Capgemini | Microsoft Global Alliance Voucher Request Form

We are happy to announce that the voucher request form is now open! We truly appreciate your patience and understanding during this wait, and we are committed to making this process as smooth and fair as possible for everyone.

Here's a quick overview of the distribution plan:

Voucher Availability: In September 2023, 1160 vouchers were distributed for 'Role Based' and 'Specialty' certifications (existing requests from June 23rd). Currently, we have 4,000 vouchers available for distribution for individual and group requests.

Approval Process: For a two-week period starting [10/4/23] and ending [10/18/23], **we will not be approving any voucher requests.** This approach is designed to provide everyone with a window of opportunity to submit their requests without immediate approvals. This strategy aims to eliminate the "first come, first serve" scenario, guaranteeing an equitable opportunity for all to submit their requests. After this two week period, we will approve weekly following the criteria below.

Guidelines & Approval Criteria:

Role-based and Specialty Certifications: 'Role Based' and 'Specialty' certifications will be prioritized. We will strategically evaluate all requests to ensure alignment with our learning targets and client obligations.

Fundamentals: Fundamentals will be considered for approval if required for team capability building. There will be an option on the form to specify this for groups only.

Note: **Only one voucher will be granted per person. By requesting this Microsoft Certification Exam Voucher, you commit to using it in the next 15 days to schedule your exam with an exam date in the next 30 days. After that period unused vouchers may be re-assigned. Submitting the form does not guarantee you will receive a voucher at this time. Please allow an initial 2 week window for all requests to be evaluated before following up.*

We genuinely appreciate your commitment and dedication to your professional development, and we are working hard to ensure this process supports your aspirations.

For any questions, please reach out to: microsoftvoucherrequests.global@capgemini.com
